"Managed Care For Your Home"

## Meet Your Provider Network

## What is Home Perks?

*Home Perks* is a "Managed Care Program" for your home and finances. It offers employees of member organizations a supportive Provider Network to care for their homes and manage their finances all at discounted rates. The *Home Perks* network also offers continuous educational articles with practical information that employees need to know. These articles can be found by visiting [www.renohomeperks.com](http://www.renohomeperks.com) and signing up to receive our quarterly **My Benefits Newsletter**. Our Provider Network is presently twenty-one companies strong and growing every month.

Wanting to provide more meaning and value to the lives of clients is how *Home Perks* was born.

## How Does it Work?

The *Home Perks* program is established as a Home Benefit Plan offered through employers. It allows the employee members to stretch their income earnings through discounts offered, gain education regarding their homes and finances, and to feel a support system around them.

## How Do I Sign Up?

Visit the *Home Perks* Web site at [www.renohomeperks.com](http://www.renohomeperks.com). Any individual can enroll for membership by filling out a brief form and submitting it by email to [info@renohomeperks.com](mailto:info@renohomeperks.com)
